

New Jersey Employee Charitable Campaign

The New Jersey Employee Charitable Campaign (NJECC) supports the programs and services of charitable organizations in the U.S. and around the world. This campaign is the only approved charitable payroll deduction solicitation of New Jersey employees. Individual contributions can be made through voluntary payroll deductions or a one-time check contribution.

The first step is to visit the [Rutgers NJECC](#) website to view the [charity codebook](#). If you would like to make on-going payroll deduction contributions, follow the steps in the "[How to Make a Contribution](#)" guide. Paper checks and Paper Check Pledge forms for one-time contributions should be returned to Roxanne Huertas, the coordinator for NJECC for the Camden campus, in Armitage Hall. The campaign will run through December 16, 2016.
