New Jersey Charitable Campaign Extended

The New Jersey Employee Charitable Campaign (NJECC) has been extended. If you missed the opportunity to enroll in October, you are now able to do so.

The NJECC supports the programs and services of charitable organizations in the U.S. and around the world. This campaign is the only approved charitable payroll deduction solicitation of New Jersey employees. Individual contributions can be made through voluntary payroll deductions or a one-time check contribution.

The first step is to visit the Rutgers NJECC website to view the charity codebook, to select a charity and to download the employee pledge form. Pledge forms and checks (if applicable) should be returned to Roxanne Huertas (Armitage Hall, Room 354), the coordinator for NJECC for the Camden campus. The extended deadline is December 17th for contributions being made through payroll deduction or December 31st for e-check contributions.

Additional instructions for making payroll contributions or e-check contributions are located on the website.
