## BULLETIN BOARD

### Rutgers Day 2017

We hope that everyone is aware that all of the campuses will simultaneously be hosting Rutgers Day again this year! If your department is not already participating directly in the event, be sure to save the date to come enjoy all that Rutgers Day offers for our campus and community on Saturday, April 29; 10:00am – 4:00pm. A full listing of all programming is on the [Rutgers Day website](#).

In lieu of the traditional Bring Your Child to Work Day events that we have held on campus in the past, Camden Human Resources is again encouraging all of our faculty and staff to *Bring Your Child to Rutgers Day* instead. The day will be jam packed with great events that your children are sure to enjoy!

### Vacation Carry Over Reminder

As we approach the last few months of the fiscal year, please remember to view your ARS (Absence Reporting System) record to ensure all of your time off for the year has been accurately accounted for. As a reminder, according to [university policy](#), excess unused vacation days at the end of the fiscal year will be forfeited, so get those vacations scheduled. You are unable to carry over any vacation time that is in excess of what you earn in one year. Additionally, any remaining Administrative Leave or Personal Holidays should be used prior to June 30 to avoid losing the time.

### Rutgers University Employee Discount Program

Remember that Rutgers University employees have access to an extensive network of discounts through the [Rutgers University Employee Discount Program provided by Abenity](#). Discount offers are updated on a regular basis and include discounts on travel, movie tickets, cellular phones, concerts, vehicle maintenance, gifts and hundreds of other items. If you are shopping around for almost anything, this discount program is a great place to start! You must register for the program using your Rutgers University email address.

### Shuttle Tracking Pilot Program

Be sure to check out the newly launched Rutgers Shuttle Tracking Pilot Program, which will allow you to track the Rutgers University-Camden shuttles on your phone, tablet, or computer. The Rutgers shuttles traveling between the campus and the parking lots can be viewed by clicking on <https://rcit.rutgers.edu/apps/shuttle>. This is a pilot program and feedback can be submitted to [Ashley Jensen](#).
